Berkeley Lab is under no obligation whatsoever to: (i) provide maintenance or support for the Software, or (ii) to notify Licensee of bug fixes, patches, or upgrades to the Software (if any). If, in its sole discretion, Berkeley Lab makes a Software bug fix, patch, or upgrade available to you without separately entering into a written license agreement with you relating to such bug fix, patch or upgrade, then it shall be deemed incorporated into the Software and subject to this Agreement. Licensee shall use commercially reasonable efforts to notify and/or disseminate such Software bug fixes, patches, or upgrades to its end users.

2.4 Notice. The U.S. Government has been granted for itself and others acting on its behalf a paid-up, nonexclusive, irrevocable, worldwide license in the Software to reproduce, prepare derivative works, and perform publicly and display publicly.
